

Calgary West Central Primary Care Network is Making Health Happen

Calgary West Central Primary Care Network is committed to expanding capacity and improving patient access to Primary Care through physician support and multidisciplinary teams.

Together with Alberta Health Services and other health care professionals, we strive to increase coordination and integration of health services. Implementing informed medical programs aligned by clear goals plays a huge role in our current successes and our future direction.

Ask yourself... are you ready to help make a positive difference?

Physician Opportunity

Calgary West Central Primary Care Network has an exceptional opportunity for Primary Care Physicians in beautiful Calgary, Alberta. The qualified candidates will provide medical services to unattached patients within a modern clinic environment. The physicians will work as part of a multidisciplinary team and will have access to the new and innovative Primary Care Network programs.

During a six month term, the physician would be provided the opportunity to build a practice and develop a network of health professionals. After completion of the term, the physician would be assisted in moving their full practice to a location within the surrounding community. This position provides a great opportunity for work/life balance.
